

We Won't Forget

Lyric and chord sheet

^A
We won't forget
^E
You lived in hope
^D ^A
Loved and were loved
^D ^E
And though the skies are darker now
^A
We won't forget

^A
You pass the torch
^E
We'll hold it high
^D ^A
High as larks sing in the sky
^E
They sing for you
^D
And though you sleep
^A
We won't forget

^A
We see the fields
^E
The poppies red
Grow and grow where valour led
Led glory shine upon our tears
^A ^E
We won't forget
^A ^E
We won't forget
^A
We won't forget
